

Mandatory Data Submission Through PassTrack App For Inbound Passengers To Pakistan

In an effort to curb the spread of COVID-19 virus and streamline data submission as well as tracking of passengers travelling to Pakistan, Pakistan Civil Aviation Authority (CAA) has introduced new measures under which it will be mandatory for all passengers travelling to Pakistan to submit complete requisite information/data through **Pass Track App**. This stipulation will be mandatory requirement and no exception in this regard shall be allowed.

2. According to CAA, it will be the prime responsibility of airline operator to ensure that all passengers travelling to Pakistan have submitted complete data/information through Pass Track App. The system will be mandatory from **May 01, 2021**. Passengers can download this application from their relevant app stores (Google Play Store/App Store). It can also be accessed through the following link:
